

SDSP Non-GMO 2023 FALL POLICY

All loads must be scheduled for delivery and priced before they are scheduled.

Soybean Receiving Clean Trailer Policy: SDSP has a ZERO tolerance for the following:

*Treated Soybean Seed * Animal byproducts * Glass * Fertilizer *

*Any other product/contaminant that is deemed unsafe for food consumption *

Loads will be rejected if any item listed above or other unsafe contaminant is found in your trailer.

Price Later (PL) – NGMO beans are not allowed to be delivered under PL.

Spot Loads – NGMO program does not have a “Spot” program for the 2023 crop. **All beans must be contracted to be placed on the delivery schedule.**

SDSP Deferred Payment Contract - Request defer pay for the year you wish to take the payment (must request check before 12-31 of that year). We will pay 5 cents per bushel per month prorated from the date of delivery or PL pricing. Payments must be delayed more than 30 days to receive the premium. The seller **must** return a signed Defer Pay contract within 30 days of making the contract.

Schedule Deliveries - Contracts state “Buyers Call” for delivery. Please Note - Buyers call is initiated AFTER the producer calls SDSP, informing us they are ready to start hauling. The producer must call SDSP 2-3 weeks prior to hauling to be worked into the schedule.
